## WORK EXPERIENCE

2018 - 2019

**Footsteps**  
Brugge, Belgium

### Maintenance Technician “Student Job”

Repairing malfunctioning machines and taking on a project to automate a manual press machine, including constructing safety measures through welding, grinding, drilling, milling, wiring, painting, and conducting complete testing.

2019

**BEP Europe**  
Brugge, Belgium

### Industrial Electrician “Internship”

Wiring electrical panels according to an electrical schematic for DANA Brugge, Volkswagen Wolfsburg, and Skoda Kvasiny.

<div>2020 - 2021</div> <div>CNH Industrial</div> <div>Zedelgem, Belgium</div>	<div>Sheet Metal Worker “Full time” + “Internship”</div> <div>Operating two bending machines, configuring the bending machines, selecting the correct dies, and completing assignments. This work was carried out with a specific level of precision that had to be maintained throughout the task, often under high work pressure. For the internship, i gained valuable insights and practical experience in the field of quality management.</div>	
<div>2023</div> <div>EXAIL</div> <div>Oostende, Belgium</div>	<div>Handyman “Student job”</div> <div>My responsibilities involved ensuring the safety and functionality of the premises through efficient problem-solving and a keen eye for detail. It is a new facility so i performed a lot of improvements tot he work area. An other big job was to make an detailed inventory from the hole building, collaborating with the Facility Manager.</div>	
<div>2022-...</div> <div>Australian homemade ice cream</div> <div>De Haan, Belgium</div>	<div>Ice Cream Maker/ Hospitality Staff “Student job”</div> <div>I am responsible for crafting a delicious array of ice cream flavors and desserts while creating a warm and inviting atmosphere for our customers. My role involves preparing, serving, and providing exceptional customer service, ensuring a memorable dining experience.</div>
